

Mission Statement

It is the mission of the Sumter Recreation and Athletic Association to help foster sportsmanship, teamwork, stimulate and improve awareness of all athletic programs, recreational or educational pursuit for all residents of Sumter.

Goals

- To **encourage** and develop an environment of community connection and cooperation.
- To **work cooperatively** regarding the collaboration of information to help increase spectator participation.
- To **offer opportunities** for local athletic and recreational organizations to improve and further develop.
- To **celebrate** the enjoyment and benefits of athletics and recreation.

Objectives

1. To provide the community with a central organization for communicating athletic and recreational opportunities including but not limited to registrations, facility needs, and skill development.
2. To encourage citizens and organizations to be proactive in safe and healthy practices and promoting good sportsmanship,
3. To be an example of balanced cooperation, diplomacy and respectfulness.
4. To encourage citizens and organizations to operate with the highest ethical business practices.
5. To provide/share document examples and forms that can be customized by each group or member organization.
6. To provide a forum for communicating athletic and recreational activities including but not limited to joint marketing in social media and cross promoting events through available marketing avenues.
