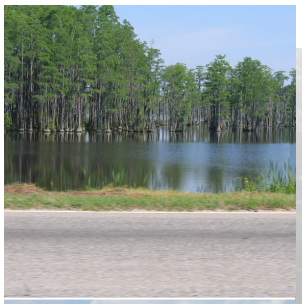
SUATS Long Range Transportation Plan

public **workshop**

Thursday, September 27, 2012

6:00pm to 8:00pm

City Centre (25 N Main Street, next to the Opera House)



The Sumter Urban Area Transportation Study Metropolitan Planning Organization invites you to participate in an interactive workshop as we look at our transportation system and plan for our future. Come help the design team refine plans for sidewalks, bikeways, transit, and roadways.

- **Open House** – View maps and other materials
- **Presentation** – Learn about the plan and how you can help
- **Small Group Session** – Gather around maps to provide feedback

Topics: Road Improvements • Traffic Safety • Bicycle Facilities • Trails • Sidewalks • Crosswalks • Trails • Freight Mobility Intersection Improvements • Base Access
