JOB ANNOUNCEMENT

Project Manager Planning Department

Job Purpose: The Sumter, SC City-County Planning Department seeks a motivated and professional capital projects manager to work in a variety of capacities for an evolving and unique joint City/County Planning Department. Must be capable of independently managing capital quality of life projects from property acquisition and design to construction in such areas as transportation infrastructure, public projects, multi-modal greenways, and intersection improvements. The selected candidate will be expected to demonstrate proven local government capital project management experience. Experience managing design consultants, the SCDOT process, engineers, budgets, and contractors is mandatory.

Minimum Qualifications: Bachelor's Degree in a related field is required along with five years of demonstrated local government experience or equivalent. A Master's Degree and at least ten years of experience with demonstrated local government project management is preferred. Relevant Project Management Certifications also preferred. Salary is dependent upon qualifications.

Deadline to Apply: **Open until filled**
