

Dear Community Leader,

Sumter Green is planning The Sumter Green Fall Feast to be held at USC Sumter's Nettles Building 6:00 pm – 8:30 pm on September 20, 2018 and we need your help. You can listen to the music, cook, eat, and talk with your friends and business associates all for one price at the Fall Feast.

Please help with this! It will be a lot of fun and it will help provide funds for the beautification efforts in our Community. If you look around you will see Sumter Green has provided beautiful landscaping and signage at the entranceways of our Community.

We are asking you to provide a cook (Chef) and the food to cook if possible. If you are cooking on site you need to provide everything (cook, cooker, severing utensils). We will provide **two wrist bands for your booth**; there is no electricity available outside. All cookers must use gas, if you cook on site. You may bring food already cooked if you wish and set up on the inside of the Nettles Building. If you prepare something that needs to be kept hot you will need to serve your dish. If you can keep your food hot with sterno then we can set you up inside the building. Cooks can start setting up outside at 2 p.m. Please call Lynn before you set up 468-5105.

I know we all work hard and have little time. This will take little of your time and if we all work together no one will have to work hard. This is why we are asking for your help. Ask some friends to help with this project. We all have great cooks around us and we all enjoy eating and socializing. If you are a member of a club and you eat at your meetings, I bet you have a great cook doing the meals.

We hope to have 500/600 attend this year. We will have finger foods and desserts inside the Nettles Building. We are not asking you to cook for 600, but provide as much as you can. We will have a large variety of foods inside and outside.

*Please note you will receive **two wrist bands per booth**. You can use these for your spouse or if you need someone to help you in your tent. Everyone will be required to have a wrist band at the event. Additional bands may be purchased \$35 each before the event and \$45 at the door. **Please remember this is an adult event.***

*This will be a great way to support our community and Sumter Green. If you have any questions call me and we can work out the details **774-1659 or 468-5105 cell.***
