*Because of our increase in numbers, swimmers may not stay for multiple level practices per day. Swimmers may also not change what level practices they show up to due to an increase in numbers. For example, if a swimmer is assigned to practice with Silver A they may not show up to Silver B or Silver C.

**See next page for practice assignments. Unfortunately, we are not taking requests for preference in what group and practice times are assigned to your swimmers. We have a limited amount of pool space that is taken into consideration when assigning groups.

****ALL swimmers will be evaluated at their first swim practice. Levels (Gold/Silver/Bronze) may be changed after that evaluation, but your practice group time (A/B/C) will not change.**

Practice Assignment Roster Last Updated: 5/22/26

**Swimmers may not request changing to different practice groups or levels. We will be getting more registrations until June 2nd and will release the final assignments at that time. Thank you for your understanding!
