

CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

Citizens were advised on May 7, 2025, via an advertisement in The Item that the Consolidated Annual Performance and Evaluation Report (CAPER) would be on display from May 21-June 21, 2025. Citizens are encouraged to come to review the plan and share their input as to how the City spent Community Development Block Grant (CDBG) funds during the last fiscal year (April 1, 2024-March 31, 2025).

Sewer Improvements (plumbing repairs) were completed for five (5) Low to Moderate Income (LMI) homeowners during this fiscal year.

Historic Preservation provides partnerships with businesses and property owners. The Façade Grant Program allots funds to repair the facades of buildings in the downtown business district. Since the inception of the current Façade Grant program (which started in 2002), over \$13 million dollars of historic building renovations have been completed in the downtown historic district while spending less than \$400,000 dollars of CDBG funds. During this CAPER period, façade grant assistance was provided for two (2) downtown businesses.

Housing Repairs were accomplished with funding from CDBG. A total of seven (7) owner-occupied homes were rehabilitated using CDBG funds for LMI occupants during the fiscal year of April 1, 2024, through March 31, 2025. Under the housing repair line item, the City used funds to pay inspectors for lead-based paintwork and the construction advisor for work write-ups, inspections, and bid preparation. Each unit is inspected prior to construction, and again after construction is completed for clearance of lead-based paint.

United Ministries Housing Repair ten (10) owner-occupied houses had minor repairs done for LMI occupants.

Youth Employment benefited sixty-one (61) students last summer. Thirty-five (35) were for the Co-Op program (14–15-year-old kids) and twenty-six (26) were for the Youth Corps program (16 and up kids in High School).

YMCA Funding allowed sixteen (16) LMI youth to receive a variety of services provided by the YMCA.

HYPE funding allowed 115 students to go on a summer camp field trip to Neptune Water Park in Hartville, SC and funding to purchase 115 backpacks and school supplies for upcoming school year.

The Demolition Program provided for the demolition of nine (9) structures.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected – Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected – Program Year	Actual – Program Year	Percent Complete

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

There is still a need for affordable rental properties that meet housing codes. Much of the affordable rental stock tends to be substandard, but the efforts of the City Codes Enforcement Department have drastically improved the rental stock. There will always be a need for continuous enforcement of the zoning ordinance throughout the City of Sumter to ensure compliance. Also, the foreclosure economic crisis is steadily being turned around, through partnerships, homeowners are being counseled and provided financial assistance in some cases, so they can continue to be homeowners. The interest rate is becoming a main impediment for home ownership. Hopefully sooner versus later that situation can turn

around.

The local Housing Authority has a Resident Services Program dedicated to empowering the residents in the community to develop goals and encourage them with support and resources to achieve goals. Resident Service programs are only as supportive as their primary resource, the community partnerships. The participation of the City's Community Development office is an essential member of the partnership through the natural progression of empowerment and education. The Housing Authority, in coordination with the Sumter County CDC and Santee Lynches Affordable Housing, were successful in receiving grant funding in the amount of \$1,700,000.00 from the Neighborhood Stabilization Program. This funding has allowed the partnership to acquire seventeen (17) houses under foreclosure. Acquisition and rehabilitation have been completed on the seventeen (17) units. The partnership is currently in the rental process. The Authority has project based all five of the Authority's units to Section 8 Housing Choice Voucher holders expanding the affordable housing in the Sumter community. There is a potential for additional houses, which may expand the program generated from program income. Affordable housing that is not located in the high crime, high poverty areas of the Sumter community have progressed because of tax credits. The Authority currently utilizes a number of the tax credit properties to provide decent affordable housing to the housing choice voucher participants in the community. The greatest concern of the Authority is continuous reduction of federal assistance. This Public Housing Agency is not designated as "troubled". The mission of the Housing Authority of the City of Sumter is to assist low-income families with safe, decent and affordable housing opportunities as they strive to achieve self-sufficiency and improve the quality of their lives. The Authority is committed to operating in an efficient, ethical and professional manner. The Housing Authority will create and maintain partnerships with its clients and appropriate community agencies in order to accomplish this mission. The Authority is currently at ninety-seven percent of the utilization of allocation with the Housing Choice Voucher program. Currently, the agency is working with Veteran Affairs to lease and administer the VASH Vouchers which are allocated on a yearly basis for the Sumter jurisdiction. The Authority has been actively accepting on-line applications since April 2016.

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

91.520(a)

	CDBG
White	6
Black or African American	181
Asian	0
American Indian or American Native	0
Native Hawaiian or Other Pacific Islander	0
Total	187
Hispanic	0
Not Hispanic	187

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

Included in the total of family members is the make-up of the total household make up for rehab and the number of people assisted by educating citizens about fair housing and conducting four community meetings and two public hearings.

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	368,392	410,014
Other	public - federal	0	

Table 3 - Resources Made Available

Narrative

In assessing the relationship of the use of CDBG funds to the priorities, needs, goals and specific objectives identified in the Consolidated Plan, the City of Sumter implemented and executed the following projects during the reporting period: **(1) Administration, \$73,678.00**, (2) Housing Repair, \$230,214.00, (3) Youth Employment, \$49,000.00 (4) YMCA Youth Services, \$2,500.00, (5) Historic Preservation, \$10,000, (6) HYPE \$3,000.

Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
NRSA	80	87	

Table 4 – Identify the geographic distribution and location of investments

Narrative

Over 87 percent of non Administration funding was distributed within the City of Sumter NRSA, which consist of the lowest income households, Census Tracts 13, 15, 11, and 16.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

needs identified in the plan.

The Summer Youth Co-op program where the city partner with local business to hire 16 and up high school students, the city and local businesses pays half of the hired student salary. The city currently has anywhere from 6 to 8 local businesses participating in the youth summer program.

Publicly owned land was not used in leveraging

Other private and public resources are tapped to address needs identified in the Consolidated Plan such as local banks, service agencies, Fannie Mae, Freddie Mac, the Eastern Carolina Homeless Organization for the twelve-county area, Sumter Housing Authority, Sumter Board of Realtors, Churches, Schools, Consumer Credit Counseling, and other service organizations. These partnerships provide easy access to services for Low-Moderate-Income citizens.

The city through the penny sale tax is upgrading and creating new public parks and facilities throughout the City Limits; with special emphasis in LMA. This will go far as not only beautifying LMA but stabilizing and increasing the desire to live in these areas.

The Summer Youth Employment Co-Op Program is successful because local businesses leveraged their funds with CDBG funds to make the program work. The partnership with local businesses is due partly to the Chamber of Commerce agreeing to market the summer program for free in the late winter edition of their newsletter and the local newspaper running the article daily for about eight weeks free of charge.

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	0	0
Number of Special-Needs households to be provided affordable housing units	0	0
Total	0	0

Table 5 – Number of Households

	One-Year Goal	Actual
Number of households supported through Rental Assistance	0	0
Number of households supported through The Production of New Units	0	0
Number of households supported through Rehab of Existing Units	6	7
Number of households supported through Acquisition of Existing Units	0	0
Total	6	7

Table 6 – Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The city goal a year is to provide owner occupied housing rehabilitation for six households. A total of seven owner-occupied houses were rehabilitated using CDBG funds, during the fiscal year of April 1, 2024, through March 31, 2025. Under the housing repair line item, the City used funds to pay inspectors for lead based paint work and the construction advisor for work write-ups, inspections and bid preparation. Each unit is inspected prior to construction, and again after construction is completed for clearance of Lead-Based Paint.

Worse case needs are the affordability and the availability of rental units publicly and privately. The Housing Authority of the City of Sumter is currently has dedicated vouchers to houses purchased by the Authority through the Neighborhood Stabilization funds. Project based vouchers has been defined since the 2008 Annual Plan; this will enhance the Authority’s goal of removing “older” mobile homes from the voucher program. The community has benefited from the five three-bedroom houses from the Neighborhood Stabilization Program funded for acquisition, rehabilitation with providing affordable units. The housing authority programs provide low-income citizens and citizens with disabilities safe and secure housing. The voucher is an excellent program, but more funding is needed.

Discuss how these outcomes will impact future annual action plans.

The city met their yearly goal of rehabilitating seven existing houses. The seven this year added to the previous years of the current Consolidated Plan five-year goal for rehab of existing houses, further exceeded the five-year goal.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	2	0
Low-income	5	0
Moderate-income	0	0
Total	7	0

Table 7 – Number of Households Served

Narrative Information

Seven existing households were rehab under the affordable housing activity during program year 2024.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

In the City of Sumter Homeless and emergency assistance are provided by Alston Wilkes Society (Sumter Office), United Ministries, Christian Charities, Trinity Place and the Salvation Army. These programs continue to provide funds for food and shelter for persons who are homeless or close to becoming homeless. The United Ministries also provides free medical care and free pharmacy for the homeless and extremely low-income citizens of Sumter. The elderly and people with disabilities, those who test positive for HIV/AIDS are included in these service opportunities.

Addressing the emergency shelter and transitional housing needs of homeless persons

The Sumter United Ministries has a homeless shelter that provides up to 3 nights' stay for homeless persons and are in the process of building several small single transitional homes for homeless individuals can live in a safe, clean and secure environment. The stay can be extended provided an extension is requested and granted. The YWCA has a homeless shelter for abuse women and their children. Housing is provided as well as job skills and job referrals. Some of the housing is provided through the Housing Authority's Section 8 program. When possible, these women are also encouraged to participate in the FSSP.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

Wateree Community Actions, Inc. Trans Aid Program reports that they provided services to several families during this reporting period. They provided a turnkey approach to homelessness by providing housing, education, counseling, job referral, etc., so that clients will have all the services needed that will cause them not to return to their former state of homelessness. The Sumter United Ministries provides clothing and free health care for extremely low income along with free prescriptions. Additionally, the Housing Authority plays a big role in keeping low-income individuals from becoming homeless. There is also an agency who house abuse and run away kids, thus providing them a safe and secure environment.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

A ministry for the homeless is operated on Sunday afternoon at 3:30pm. A group of volunteers bring a hot meal to the Gazebo located off Calhoun Street. These volunteers have a bible study and serve the meal in a loving outside atmosphere. Their ministry is unique in that it is outside winter and summer regardless of weather conditions. People from the street feel very comfortable participating in this ministry. This group has formed a bond, and they take each other as family.

In concluding this narrative, Wateree Community Actions is the only local agency that has a turnkey homeless initiative in Sumter. This, however, does not begin to serve the needs of the community.

The United Ministries of Sumter County continue to aid homeless people and to others to prevent homelessness. They aid with rent, mortgage, utility, medical, hotel/motel accommodation and food and clothing, along with counseling. Additionally, United Ministries are in the process of building up to several transitional housing units until citizens can become self-sufficient.

Obstacles to meeting underserved needs continue to include the need for an agency or organization that aids an almost unidentified population: people who are under or unemployed, lack skills to market with potential employers, and who also need medical care with follow-up as well as housing. These people often feel left completely out of the system and are also alienated from family and friends. South Carolina Works has a new program designed to retrain employees to enable them to become self-sufficient, while also paying them a stipend during training. This program run by South Carolina Works is invaluable to meeting underserved needs in the community.

The city is also leasing a big abandon building with partnership of United Ministry staff to provide homeless citizens shelter during inclement weather.

The key to all of this is to make homeless individuals self-efficient and become productive citizens.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The Authority has identified the need for additional affordable housing in the Sumter Community. The Authority has applied and received funding through a partnership of Neighborhood Stabilization Program in the amount of \$1,700,000.00 for acquisition of foreclosures, rehabilitation and rentals. A total of seventeen homes were purchased, rehabilitated and are now affordable housing in the Sumter community.

The Authority is currently at ninety-seven percent of the utilization of allocation with the Housing Choice Voucher program. This program was a high performing agency for 2017 and 2018. With the anticipation of the removal of Housing Quality Standards as the minimum inspection standard and increase to the Uniform Physical Inspection Standards - V in 2016, the Streamline rule and proposed HOTMA notice; the Authority anticipates electing only policy guidelines that will not have a detrimental impact on housing currently utilized throughout our programs.

Currently, the agency is working with Veteran Affairs to lease and administer the ten VASH Vouchers allocated in September of 2018 for the Sumter jurisdiction. At present, we have nine VASH voucher families leased.

The Authority has been actively accepting on-line applications since April 2016.

Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, the Housing Authority of the City of Sumter will make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

The Housing Authority of the City of Sumter provides a quality resource of affordable housing in the Sumter community. Not only are the affordable housing resources limited, but the economic condition, with the loss of industry in the community, supports the need for affordable housing and housing financial assistance needed in the Authority's jurisdiction.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The local Housing Authority has a Resident Services Program dedicated to empowering the residents in the community to develop goals and encourage them with support and resources to achieve

goals. Resident Service programs are only as supportive as their primary resource, the community partnerships. The participation of the City's Community Development office is an essential member of the partnership through the natural progression of empowerment and education. Community Service has allowed Public Housing clients the opportunity to work with community leaders and management to become oriented to housing opportunities through the various affordable housing programs in the community. Programs currently available to our residents include lease refresher classes, housekeeping classes, two after-school programs and quarterly Community Site Clean Ups. The Housing Authority has completed the work scope of 2015 and 2016 annual capital fund grant with the acknowledgment of reduced funding. Remaining Capital Funds for 2017 and 2018 have been combined to replace 90 lavatory cabinets and 44 tankless water heaters prior to August 30, 2019. The Authority obtained an Architect for replacement of stoop covers, drawings have been received and approved, and the project has been completed. Rear stoop covers have been completed also, using the 2019 Capital Fund Grant. Additionally, CCTC, which is a local technical college, is offering a free two-year associate degree program is students maintain a 2.0 grade average. Current public housing residents are encouraged on a regular basis to take advantage of the technical college program.

Actions taken to provide assistance to troubled PHAs

This Public Housing Agency is not designated as "troubled".

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

In compliance with 24 CFR 91.520(a) City staff is working through the Fair Housing Task Force in an ongoing process to rid the city of Impediments: The City updated Area Impediment was completed during September 2017. The City adopted a Property Maintenance Code which gives additional guidance to property owners and provides penalties for violations. In its current form there is a duty to the advisement of a 30-day notice of any substandard citing. Such notice is posted with property title in the Courthouse. Property owners will have a duty to repair property before sale or follow through with any prior citing. Sales will be subject to repair within time allotted. The Fair Housing Task Force is working closely with the Codes Enforcement Department to accomplish this. The City Council also passed an ordinance that is called an Appearance Code. The code does require that property owners keep their property is always in good appearance. New to the ordinance Landlords are now included in this group in that if they rent, the person residing in the property is required to keep the appearance up to par.

The city hired additional Codes Enforcement Officers. Part of their work involves issuing citations for property not being in a good state of appearance from the outside.

The City, in partnership with the Housing Authority, is continually working this issue as funding becomes available. Due to the in foreclosures in the City, the City in partnership with the Housing Authority has identified the need for additional affordable housing in the Sumter Community. The Authority applied for and received funding through a partnership of Neighborhood Stabilization Program in the amount of \$1,700,000.00 for acquisition of foreclosures and rehabilitating for affordable rentals. All partners are purchasing foreclosed homes and have rehabilitated eleven units. The Sumter community is benefiting from 18 foreclosed homes being converted to rental properties.

The Fair Housing Task Force partnered up with the Sumter Board of Realtors and Local Housing Providers to inform the public, low-moderate-income persons, especially, about Predatory Lending practices and affordable housing opportunities. To celebrate Fair Housing Month and the 29th Anniversary of the HOME Program the City put on a Housing Seminar with emphasis on Available Housing Opportunities in the City and County. Rural Development also participated in this event. Many people in attendance wanted and needed their information because not all people desire to live inside the City Limits.

Local housing providers presented their programs visually and verbally. Display tables provided an opportunity for attendees to gain access to information about banking, finance and affordable housing. Surveys are completed each year by local attendees which agencies what their communities are in need

of.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

Obstacles to meeting underserved needs continue to include the need for an agency or organization that aids an almost unidentified population: people who are under or unemployed, lack skills to market with potential employers, and who also need medical care with follow-up as well as housing. These people often feel left completely out of the system and are also alienated from family and friends. South Carolina Works has a new program designed to retrain employees to enable them to become self-sufficient, while also paying them a stipend during training. Additionally, some transitional housing is available to help this population until they get on their feet.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

All rehabilitation of owner-occupied homes requires a lead inspection prior to any work being done on the home. If lead is found in a location where work is to be done, it would be removed by a license lead qualified extraction contractor prior to rehabilitation being performed.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

Reduce the number of people living below the poverty level. This is an awesome task. Training and education are accomplished through the Adult Education Department of both School Districts. They offer basic reading and writing as well as GED training and preparation for a High School Diploma. Additional training is provided in the areas of Computer Skills at all levels, from basic to advanced. Teacher Certification classes are also offered by the Adult Education Department. The Literacy Program is a part of Adult Education. This program teaches English as a second language along with other pertinent classes.

The Technical College are currently offering free courses to local citizens and the two 4-year colleges have programs that prepare individuals for upward mobility. As people avail themselves to training and education their opportunity for living above the poverty level is greater. The initiative, however, must come from the person who is the victim of poverty. Children are assisted when they are employed in our Summer Youth Employment Programs. They could earn money for needed items that include school supplies and clothes. Some students use their money to help parents with household bills.

Contractors who build houses and do housing repairs are encouraged to comply with Section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low-Income Persons, and with its implementing regulation at 24 CFR Part 135.

Seniors who are at least 55 years old are referred to Santee-Lynches Council of Governments to participate in the Title V Older American Act of 1965 Title V Section that established the Senior Community Service Employment Program (SCSEP). The program accommodates people who make low

retirement incomes. Work assignments increase the income by a large enough margin that they do not live below the poverty level. Some of the job assignments lead to permanent work, although they are often part-time jobs.

During the orientation and training of students for the Summer Youth Employment Co-Op Program staff make a strong point of letting students know that they can decide now how they will spend their life in the future. Summer jobs can be the start of a career that can build into a livelihood. We often use the example of the KFC's Executive who has helped with the orientation. He started working at KFC when he was in high school. He worked during college breaks. After graduation he came back into a management training slot at KFC. Now he owns three KFCs and is Vice President for all Kentucky Fried Chickens and Arby's in the 6-county area. There also was a former student who went on to play professional football.

These are examples of how people can be elevated above the poverty level, thereby reducing the number of people living below the poverty level. It is a slow process.

Another example is the Family Self Sufficiency Program at the Housing Authority. These participants receive training and get help with their finances. Gradually they learn how to leave Public Housing. Their income increases with new initiatives, information and training, and they live above the poverty level.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The City of Sumter has made vast improvements in overcoming the gaps in institutional structures and enhance coordination. There are not only various agencies who provide services to assist homeless individuals and families; they all have formed a partnership to coordinate the assistance for homeless and low-income citizens. The partnership of the agencies has increased follow up on clients on a regular basis to help alleviate clients continually needed the same services over and over. The goal of the current actions is to make beneficiaries of these program self-sufficient in the long run, by providing training, education, housing assistance, daycare assistance, and other programs to give clients the best chance to succeed in all aspects of life. Also, providing a larger inclement weather facility for homeless individuals was much needed.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

Improvement in public housing and residents' initiatives are ongoing with the City of Sumter Housing Authority. That agency has a Resident Initiatives Coordinator who also carries the title of Self Sufficiency Coordinator. The coordinator works closely with the residents to provide activities at the housing complexes for adults and children while at the same time providing an opportunity for adults to register for the Family Self Sufficiency Program. The program has over 19 active people listed who have agreed to work towards self-sufficiency within a certain period, usually five years. There were 33 people

initially; of the initial participants, six have become homeowners. Some left the program since its inception due to transfers and dropouts. This program was at a standstill during the hardest months of the pandemic, but, starting in March 2022, the program is back to normal. Improvements are made to public housing as the director makes upgrades to the units. The Authority has completed HVAC Installation, currently addressing cabinets, electrical and water heaters. The upgrades are continuing. Additionally, the Fair Housing Task Force bring both private and public entities together to handle all sorts of issues involving our citizens, especially when it comes to affordable housing.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

In compliance with 24 CFR 91.520(a) City staff is working through the Fair Housing Task Force in an ongoing process to rid the city of Impediments: The City updated Area Impediment was completed during September 2017.

The City adopted a Property Maintenance Code which gives additional guidance to property owners and provides penalties for violations. In its current form there is a duty to the advisement of a 30-day notice of any substandard citing. Such notice is posted with property title in the Courthouse. Property owners will have a duty to repair property before sale or follow through with any prior citing. Sales will be subject to repair within time allotted. The Fair Housing Task Force is working closely with the Codes Enforcement Department to accomplish this.

The City Council also passed an ordinance that is called an Appearance Code. The code does require that property owners always keep their property in good appearance. Landlords, are now included in this group in that if they have rental property, the person residing in the property along with the landlord is required to keep the appearance up to par.

The city hired additional Codes Enforcement Officers. Part of their work involves issuing citations for property not being in a good state of appearance from the outside.

The City, in partnership with the Housing Authority is continually working this issue as funding becomes available. Due to the in foreclosures in the City, the City in partnership with the Housing Authority has identified the need for additional affordable housing in the Sumter Community. The Authority applied for and received funding through a partnership of Neighborhood Stabilization Program in the amount of

\$1,700,000.00 for acquisition of foreclosures and rehabilitating for affordable rentals. All partners are purchasing foreclosed homes and have rehabilitated eleven units. The Sumter community is benefiting from 18 foreclosed homes being converted to rental properties.

The Fair Housing Task Force partnered up with the Sumter Board of Realtors and Local Housing Providers to inform the public, low-moderate-income persons, especially, about Predatory Lending practices and affordable housing opportunities. To celebrate Fair Housing Month and the 33rd Anniversary of the HOME Program the City put on a Housing Seminar with emphasis on Available Housing Opportunities in the City and County. Rural Development also participated in this event. Many persons in attendance wanted and needed their information because not all person's desire to live inside the City Limits.

Local housing providers presented their programs visually and verbally. Display tables provided an opportunity for attendees to gain access to information about banking, finance and affordable housing. Current interest rates are also a hinderance but hopefully they will start trending down shortly.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

The grantee pursued all the resources it said it would in the Consolidated Plan. This is referenced earlier in this report under Public Housing Initiatives and Leveraging of Resources. (2) The grantee supported efforts by other service agencies by providing letters of support, supplemental funding, and working with agencies to advance their programs. (3) The grantee did not hinder the implementation of the Consolidated Plan by any action or willful inaction. Additionally, each sub-recipient on a yearly basis provides source documents they used for each citizen they assist in determining their eligibility for use of CDBG funds (below 80% median income and reside in the city limits). Also, all sub-recipients are following the proper record keeping requirements of HUD, because this is checked on an annual basis when grantee hand carry sub-recipient agreement for signature by the sub-recipient. The grantee went to the YMCA and conducted monitoring in March 2019. The grantee reviewed the files from 2017 and 2018. The files were immaculate, and the YMCA are following the signed sub-recipient agreement. The procedures the sub-recipient uses for providing services to low-modern clientele meet CDBG requirements. An in-house review and general oversight of all sub recipient documentation are reviewed on a yearly basis.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

This document was on display inside the Community Development Department from May 21, 2025, to June 21, 2025.

There were no citizens' comments.

The Public Hearing was held May 20, 2025, at 6:00 in the evening. The Notice to The Public was released through *The Item*, a local newspaper, on May 7, 2025, in the non-legal section.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction’s program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

There are no proposed or significant changes required by the jurisdiction at this time.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

There are no proposed or significant changes required by the jurisdiction at this time.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

Table 9 – Qualitative Efforts - Number of Activities by Program

Narrative

On a yearly basis, the city targets public housing kids for our youth employment program, but ever since the pandemic kids in public housing are not applying for the jobs in our youth program at the level of pre pandemic. There has been a continuous downward trend of applicants applying for summer jobs. The city contacts school counselors to pass on the information about the job opportunities which is available every summer. Also, the city contacts the public housing office to pass this information on. Additionally, the city advertises in the local newspaper every day for about eight weeks prior to the program about the available jobs each summer and on the city website. The city has three centers with computer labs for all citizens with instructors in writing resumes.

CAPER 2024 Supporting Documents

**City of Sumter
Community Development Department**

**Consolidated Annual Performance and Evaluation Report
(CAPER)
April 1, 2024 through March 31, 2025**

**David P. Merchant
Mayor**

**Deron L. McCormick
City Manager**

**Clarence Gaines
Community Development Director**

Executive Summary

Citizens were advised on May 7, 2025, via an advertisement in The Item that the Consolidated Annual Performance and Evaluation Report (CAPER) would be on display from May 21-June 21, 2025. Citizens are encouraged to come to review the plan and share their input as to how the City spent Community Development Block Grant (CDBG) funds during the last fiscal year (April 1, 2024-March 31, 2025).

Sewer Improvements (plumbing repairs) were completed for five (5) Low to Moderate Income (LMI) homeowners during this fiscal year.

Historic Preservation provides partnerships with businesses and property owners. The Façade Grant Program allots funds to repair the facades of buildings in the downtown business district. Since the inception of the current Façade Grant program (which started in 2002), over \$13 million dollars of historic building renovations have been completed in the downtown historic district while spending less than \$400,000 dollars of CDBG funds. During this CAPER period, façade grant assistance was provided for two (2) downtown businesses.

Housing Repairs were accomplished with funding from CDBG. A total of seven (7) owner-occupied homes were rehabilitated using CDBG funds for LMI occupants during the fiscal year of April 1, 2024, through March 31, 2025. Under the housing repair line item, the City used funds to pay inspectors for lead-based paintwork and the construction advisor for work write-ups, inspections, and bid preparation. Each unit is inspected prior to construction, and again after construction is completed for clearance of lead-based paint.

United Ministries Housing Repair ten (10) owner-occupied houses had minor repairs done for LMI occupants.

Youth Employment benefited sixty-one (61) students last summer. Thirty-five (35) were for the Co-Op program (14–15-year-old kids) and twenty-six (26) were for the Youth Corps program (16 and up kids in High School).

YMCA Funding allowed sixteen (16) LMI youth to receive a variety of services provided by the YMCA.

HYPE funding allowed 115 students to go on a summer camp field trip to Neptune Water Park in Hartsville, SC and funding to purchase 115 back packs and school supplies for upcoming school year.

The Demolition Program provided for the demolition of nine (9) structures.

Public Housing The Local Housing Authority has a Resident Services Program dedicated to empowering the residents in the community to develop goals and encourage them with support and resources to achieve goals. Resident Service programs are only as supportive as their

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
WASHINGTON, DC 20410-2000

PRINCIPAL DEPUTY ASSISTANT SECRETARY
FOR COMMUNITY PLANNING AND DEVELOPMENT

May 18, 2024

The Honorable David Merchant
Mayor of Sumter
PO Box 1449
21. N. Main Street
Sumter, SC 29151-1449

Dear Mayor Merchant:

Congratulations! I am pleased to give you formal notice of your jurisdiction's Fiscal Year 2024 (FY24) allocations for the Office of Community Planning and Development's (CPD) formula programs. Your jurisdiction's FY24 available amounts are as follows:

Community Development Block Grant (CDBG) \$368,392.00

These grant funds provide the financial tools to support low-to-moderate income individuals, families, and communities to address homelessness, affordable housing challenges, aging infrastructure, and economic hardships. CPD is committed to being your partner throughout the process of using these funds. Our local office will assist in finalizing grant agreements, offer technical assistance, training when needed, monitor and implement grant funds for eligible projects in a timely manner. The Department of Housing and Urban Development will work with your team to ensure proper reporting in the Integrated Disbursement and Information System to improve performance data on how these programs are benefitting and touching people's lives, build trust with stakeholder groups, Congress, and amplify the success stories that you and your jurisdiction are able to accomplish with these vital resources.

In addition, you also have \$1,643,960 in available Section 108 borrowing authority based on your CDBG allocation and outstanding Section 108 balances as of May 14, 2024. Since Section 108 loans are federally guaranteed, this allows your jurisdiction to borrow up to five times of your current CDBG allocation to access loan capital for larger projects at a low interest rate. HUD encourages you to consider using this CDBG multiplier for high priority housing projects, such as housing rehabilitation and conversion of nonresidential properties to residential uses and mixed-use development. This could help fill gaps left by Congress' cut to the HOME program for FY24.

As you begin to plan for the use of FY24 grant funding, please also consider having strategic conversations with your local team to ensure that existing grants are being maximized to meet your local priorities and community needs. A few questions that you might consider asking:

- What were our goals in our most recent Consolidated Plan? How did our commitments in FY23 and previous Action Plans support those goals?

CITY MANAGER'S REPORT

Receive comments and/or reports from the City Manager.

COMMENTS BY CITY CITIZENS

Consistent with our City Code, this is an opportunity for Citizens of the City, who have signed up prior to the beginning of this meeting, to address the Council on City matters with the exception of personnel matters. Comments are limited to no more than three (3) minutes.

LEGISLATIVE UPDATE

Review any pending legislation pertinent to local government.

EXECUTIVE SESSION

To discuss contractual matters, and appointments to Boards and Commissions, and/or to receive legal advice relating to matters covered by attorney-client privilege, if necessary, in accordance with Section 30-4-70 of the South Carolina Code of Laws.

The public is hereby notified that if Sumter City Council holds an Executive Session, the Council may take official action on the above-listed matters following the conclusion of the Executive Session.

ADJOURNMENT

CITIZEN PARTICIPATION PLAN

City of Sumter
Community Development Department
As Amended 03/10/09

Beginning in 1994, the U. S. Department of Housing and Urban development (HUD) required the City of Sumter to develop a consolidated plan affecting all of its community planning and development and housing programs. This new plan replaced all individual application requirements with a single submission. The four programs affected by the consolidated plan are: Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Shelter Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA). As such, to incorporate the four programs within the Citizens Participation Plan, "CDBG Programs" are now referred to as "the Consolidated Plan Programs."

The laws governing the grant programs established three basic goals. They are to:

- Provide decent housing
- Provide a suitable living environment, and
- Expand economic opportunities

Further, each of these goals must primarily benefit low- and very low-income persons.

The benefit of having a consolidated plan ensures a collaborative and comprehensive process to establish a unified vision for community development actions.

To insure that citizens are involved in (1) planning, (2) implementation, and (3) assessment of Consolidated Plan Programs, U.S. HUD requires a written plan to show how citizens will be involved in the three areas cited.

Community involvement in the Consolidated Plan Programs shall include, but is not limited to, public notices in the local newspapers for citizen participation, and the public hearings process.

Assessment of Performance – There will be a public notice to allow citizens and community organizations to assess activities and submit comments on all aspects of the Consolidated Plan Programs. This notice will be published in local newspapers at least 30 days prior to the start of planning for the next program year. Copies of the Annual Performance Report, Proposed Statements of Objectives, and Final Statements of Objectives will be distributed to all public libraries for public review. Copies and information concerning all activities will also be available at the Community Development Office located at 12 W. Liberty Street, Office H.

All comments submitted by citizens, along with the City's responses and a summary of any action taken will be included in the Grantee Performance Report (GPR).

Public Hearings

The City will hold a minimum of two (2) public hearings during the fiscal year (April 1 – March 31). Announcements for the public hearing will be published in *The Item* at least seven (7) days prior to the hearing. Notices will be prominently displayed in the non-legal section of the local newspaper.

The hearings will be held to address housing and community development needs and receive suggestions for proposed activities. Following the public hearing, a 30-day comment period will allow citizens and interested parties additional time to submit their concerns.

After the development of the CP plan, application for funding and prior to the submission of the application to the Department of Housing and Urban Development, a public hearing will be held to review and solicit public comment upon the proposed activities.

If ten (10%) percent or more of potential beneficiaries of the project are non-English speaking, provisions will be made at the appropriate public hearings for translation of comments and documents into the native language of the majority of non-English speaking residents present. It has been determined, however, that at present, less than ten (10%) percent of the City's residents are non-English speaking.

Soliciting Participation

The City will, to the extent determine necessary by its governing body, make direct efforts in soliciting the participation of the residents and other interested parties in the area(s) in which funds are to be expended. Methods may include, but are not limited to, request appropriate community leaders and other agencies to inform their constituents about the proposed use of funds; distributing notices in very-low and low-income neighborhoods, posting of notices at post offices and neighborhood businesses, radio and television announcements, South Sumter Resource Center, organized Neighborhood Groups, City of Sumter Housing Authority, HOPE Centers, as well as social service agencies.

Meetings

All public meetings and hearings concerning the CP plan program will be held at times and places convenient to city residents, particularly those who are potential beneficiaries. No meetings will be held before 6:00 p.m. on weekdays or 2:00 p.m. on Sundays. No meetings will begin after 8:30 p.m.

The location of such meetings will be selected to provide access for physically challenged persons, and held in a convenient location for actual beneficiaries.

and be accessible to accommodate those citizens with special needs. Requests for special assistance should be made by calling 774-1649.

Provisions for Persons with Disabilities – Upon advance notification, appropriate provisions will be made to accommodate persons with mobility, visual or hearing impairments. Persons requiring said accommodations will be directed to contact the Community Development Office.

Housing And Community Development Needs

Prior to the development of the Consolidated Plan application for funds, the City will assess its housing and community development needs particularly those of very low and low-income persons. The citizens of the City of Sumter are encouraged to participate in the assessment process and the realities of this Needs Assessment will be documented and presented to the citizens of the City at one or more advertised public hearings where citizens' comments will be considered.

Needs Assessment

At the public hearing(s) where the Needs Assessment is presented, the City will also present information concerning the funding, guidelines, and the range of activities that may be undertaken with such funds, particularly in relation to identified needs contained in the Needs Assessment.

Technical Assistance

The City will provide technical assistance to representatives of persons of very low and low income that request such assistance in developing proposals for funding. This assistance shall be limited to the provision of information concerning the CP program, and shall be provided on the condition that activities to be addressed by any such proposal are consistent with identified community development and housing needs, federal program guidelines, that funds are available for funding such activities as may be involved, and that the City Council give its approval for providing such technical assistance. The City will consider any proposals developed by representatives of very low to low income persons, following all the requirements of public participation; however, the determination to submit the proposal to the Department of Housing and Urban Development for funding consideration is the prerogative of the City, since the submission of the application requires approval by City Council.

Comments

The City will consider any comments or views of citizens received in writing, or orally at the public hearings, in preparing the final consolidated plan, amendment of the plan, or performance report. A summary of any comments or views not accepted and the reasons shall be attached to the final consolidated plan, amendment of the plan, or performance report. The City of Sumter will publish a summary of the proposed consolidated plan in *The Item* and copies will be made available at various public agencies throughout

the city. A list of where the plan will be available will be identified in the summary.

Complaints/Grievances

The City will provide for a timely, written answer to written complaints and grievances concerning the program, generally within fifteen (15) working days after receipt of the written complaint. Grievances are to be delivered to the City Manager, who will then attempt to resolve the reason(s) for the complaint. If the complaint is not resolved to the satisfaction of the aggrieved party, an appeal to the City Council is the next step available to the party. Complaints or grievances including State law or policy, Federal program guidelines or regulations governing the CDBG program shall be directed to the Department of Housing and Urban Development for resolution. The City will then correct the grievance according to the direction of the Department of Housing and Urban Development. Complaints involving local law or program policies will be resolved at the local level. After the above described appeal process has been exhausted, the complaint may seek relief in the appropriate court of law.

Access To Records

Citizens will be provided with reasonable access to records concerning any projects undertaken with CDBG funds. These records are available for review at City Hall, 21 North Main Street, during normal business hours, upon the submission of the written request stating the reason for requesting access to such records. Confidential information normally protected under the State and Federal Freedom of Information laws may not be made available for public review; for example, information not normally available to the public concerning personal or business financial statements, earnings, or sources of income.

Performance Review

Upon completing the fiscal year projects, the City will conduct at least one public hearing to review performance and accomplishments before closing out the grant through the Department of Housing and Urban Development.

Use Of Plan

The City must follow this citizen participation plan until amended.

Criteria For Amendment To Consolidated Plan/Definition Of Substantial Deviation

The City Council will amend the plan when a substantial change in the actual activities, allocations, priorities, or method of distribution of funds is made to carry out an activity using funds from any program covered by the Consolidated Plan. Substantial change would include the elimination or addition of a program and/or to change the purpose, scope, location, or beneficiaries of an activity.

Substantial deviation requiring an amendment to the consolidated plan would be any individual or group of projects totaling more than 15% of the annual allocation. Public notices and called meetings will provide citizens reasonable notification and an opportunity to examine and submit comments on amendments. A period of not less than 30 days will be allowed to receive comments before any amendment is implemented.

ORDINANCE NO. 2854

**AN ORDINANCE AMENDING ORDINANCE NO. 2843
WHICH ADOPTED A BUDGET FOR THE EXPENDITURE OF
COMMUNITY DEVELOPMENT ENTITLEMENT FUNDS
FOR THE CITY OF SUMTER FOR FISCAL YEAR 2024-2025**

WHEREAS, the Budget for Community Development Entitlement Funds in the amount of \$350,085.00 for the Federal Fiscal Year 2024-2025 was adopted by City Council on March 5, 2024, based on the amount of funds allocated to the City of Sumter for the previous budget year; and

WHEREAS, the City of Sumter received the *Fiscal Year 2024 Community Planning and Development Formula Program Allocations* from HUD on May 9, 2024 (attached), announcing an actual allocation of \$368,392.00 in Community Development Block Grant (CDBG) Funds to the City of Sumter for Fiscal Year 2024-2025; and

WHEREAS, the Sumter City Council therefore finds it necessary to amend its Community Development Entitlement Budget for Fiscal Year 2024-2025 as shown on the attached amended budget to reflect the official allocation from HUD. The amended 2024-2025 CDBG Budget in the amount of \$368,392.00 is hereby made a part hereof as fully as if incorporated herein and a copy thereof is attached hereto.

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF SUMTER, SOUTH CAROLINA, THIS 18TH DAY OF JUNE 2024, AT ITS REGULAR MEETING DULY ASSEMBLED AND BY THE AUTHORITY OF SAME:

Section 1. That the amended Budget for Community Development Entitlement Funds in the amount of \$368,392.00 for the Federal Fiscal Year 2024-2025 is hereby adopted by City Council and is hereby made a part hereof as fully as if incorporated herein, and a copy thereof is attached hereto.

Section 2. That the City Manager shall administer the Budget and may authorize the following to achieve the goals of the budget.

- 1) Authorize the transfer of appropriated funds within and between Departments and budgeted accounts as necessary.
- 2) Designate continuing projects from surplus funds in accordance with the Comprehensive Plan.
- 3) Follow City Purchasing Ordinance in procurement and awarding of contracts.

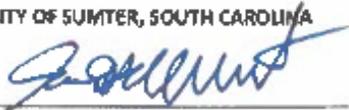

Section 3. Encumbrances will be carried over to the next year as a reserve to the Fund Balance; and Expenditures approved by Council shall automatically carry amendments to Fund Appropriation where necessary.

Section 4. If for any reason any sentence, clause or provision of this Ordinance shall be declared invalid, such shall not affect the remaining provisions hereof.

**AN ORDINANCE AMENDING ORDINANCE NO. 1796
WHICH ADOPTED A BUDGET FOR THE EXPENDITURE OF
COMMUNITY DEVELOPMENT ENTITLEMENT FUNDS
FOR THE CITY OF SUMTER FOR FISCAL YEAR 2023-2024**

WHEREAS, the Budget for Community Development Entitlement Funds in the amount of \$308,419.00 for the Federal Fiscal Year 2023-2024 was adopted by City Council on February 21, 2023, based on the amount of funds allocated to the City of Sumter for the previous budget year; and

WHEREAS, the City of Sumter received a letter from HUD dated February 27, 2023 (attached), announcing an actual allocation of \$350,085.00 in Community Development Block Grant (CDBG) Funds to the City of Sumter for Fiscal Year 2023-2024; and

WHEREAS, the Sumter City Council therefore finds it necessary to amend its Community Development Entitlement Budget for Fiscal Year 2023-2024 as shown on the attached amended budget to reflect the official allocation from HUD. The amended 2023-2024 CDBG Budget in the amount of \$350,085.00 is hereby made a part hereof as fully as if incorporated herein and a copy thereof is attached hereto.

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF SUMTER, SOUTH CAROLINA, THIS 18TH DAY OF APRIL 2023, AT ITS REGULAR MEETING DULY ASSEMBLED AND BY THE AUTHORITY OF SAME:

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
WASHINGTON, DC 20410-7001

NATIONAL DEPUTY ASSISTANT SECRETARY
FOR COMMUNITY PLANNING AND DEVELOPMENT

February 27, 2023

The Honorable David Merchant
Mayor of Sumter
PO Box 1449
21 N Main Street
Sumter, SC 29131-1449

Dear Mayor Merchant:

Congratulations! I am pleased to inform you of your jurisdiction's Fiscal Year (FY) 2023 allocations for the Office of Community Planning and Development's (CPD) formula programs. Your jurisdiction's FY 2023 available amounts are as follows:

CPD Program:	Amount
Community Development Block Grant (CDBG)	\$330,083
Emergency Solutions Grant (ESG)	\$0
HOME Investment Partnerships (HOME)	\$0
Housing Opportunities for Persons With AIDS (HOPWA)	\$0
CDBG Recovery Housing Program (RHP)	\$0

These grant funds provide the financial tools to support individuals, families, and communities to address homelessness, affordable housing challenges, aging infrastructure, and economic hardships. CPD is committed to being your partner throughout the process of using these funds. Our local office will assist in finalizing grant agreements, offer technical assistance and training when needed, and monitor and implement grant funds for eligible projects in a timely manner. We will work with you to ensure proper reporting in the Integrated Disbursement and Information System (IDIS) so we can together improve performance data on how these programs are benefitting and touching people's lives, build trust with stakeholder groups and Congress, and amplify the success stories that you and your jurisdiction are able to accomplish with these vital resources.

Based on your jurisdiction's CDBG allocation for this year and outstanding Section 108 balances as of February 27, 2023, you also have \$1,492,425 in available Section 108 borrowing authority. Since Section 108 loans are federally guaranteed, this program can leverage your jurisdiction's existing CDBG funding to access low-interest, long-term financing to invest in your jurisdiction.

STATE OF SOUTH CAROLINA } RESOLUTION NO. 332
 }
 COUNTY OF SUMTER } Designating the Month of April 2024
 } as Fair Housing Month and the 33rd
 CITY OF SUMTER } Anniversary of the HOME Program

WHEREAS, Sumter City Council desires that its citizens be offered the opportunity to attain a decent, safe, and sanitary living environment and,

WHEREAS, Sumter City Council rejects discrimination on the basis of race, color, sex, national origin, religion, ancestral status, and disability; and,

WHEREAS, Sumter City Council desires that every citizen be offered the opportunity to live in the home of his or her choice; hence, the City of Sumter does not discriminate in its housing practices.

NOW, THEREFORE, BE IT RESOLVED, that we the members of Sumter City Council, do hereby designate April 2024 as Fair Housing Month in the City of Sumter, State of South Carolina, and recognize this month as the 33rd Anniversary of the HOME Program-Home Investment Partnership Program. The City of Sumter will continue to promote and advocate fair housing for all of its citizens.
