

Sumter City-County Planning Commission

April 22, 2026

RZ-26-02 1022 Pocalla Rd. (County)

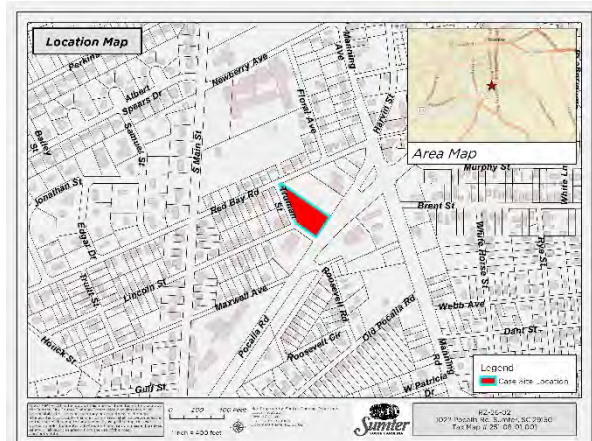

I. THE REQUEST

Applicant:	Roger Cox & Willard Bradley, Jr.
Status of the Applicant:	Property Owners
Request:	A request to rezone a +/- 0.6-acre portion of a larger +/- 1.35-acre split zoned parcel from Residential-6 (R-6) to General Commercial (GC).
County Council Ward:	District 6
Location:	1022 Pocalla Rd.
Size of Property:	+/- 1.35-acres
Present Use/Zoning:	Automotive Repair/Sales / General Commercial (GC) & Residential-6 (R-6)
Proposed Use/Zoning:	Future Commercial Use / GC (entire parcel)
Tax Map Reference:	251-08-01-001
Adjacent Property Land Use and Zoning:	North: Commercial / GC South: Commercial & Residential / GC & General Residential (GR) East: Commercial / GC West: Residential / R-6

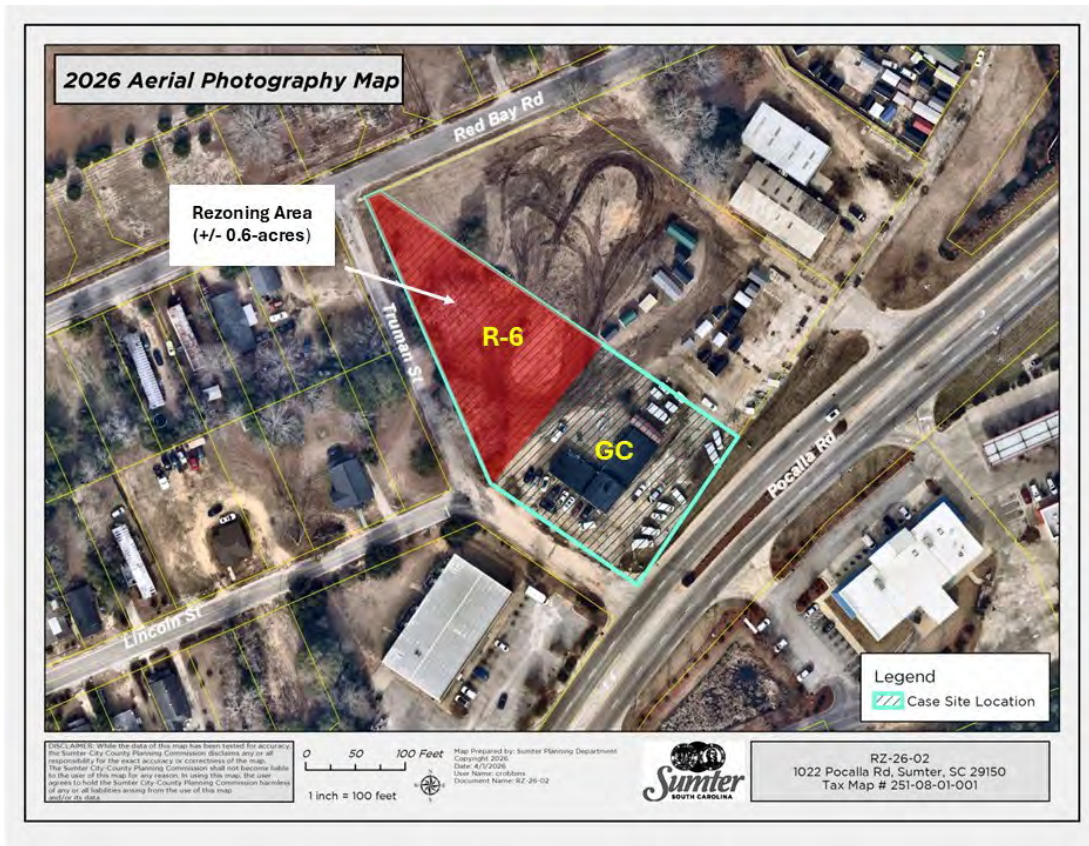

II. BACKGROUND

This is a request to rezone a +/- 0.6-acre portion of a larger +/- 1.35-acre split zoned parcel (TMS# 251-08-01-001) from Residential-6 (R-6) to General Commercial (GC).

The subject property is shown in red on the location map to the right. The property has frontage on Pocalla Rd. to the east, Truman St. to the south, and Red Bay Rd. to the east. The property is adjacent to an existing accessory structure sales business to the north.

The area of the property subject to this rezoning is located to the rear of the existing building, as shown in the graphic below:

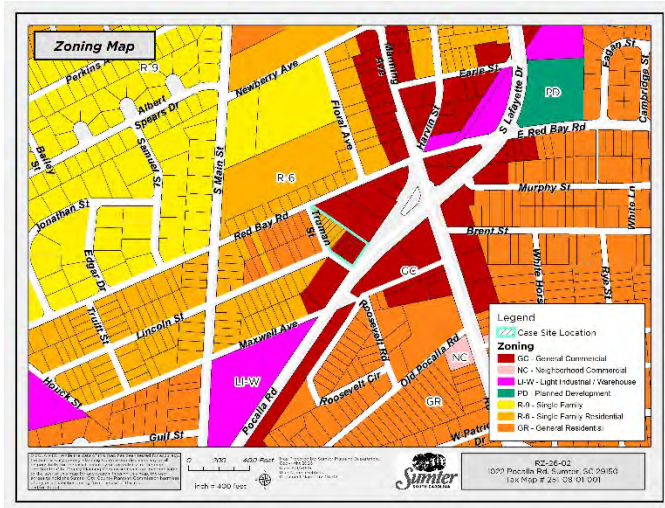

Zoning

The area of the property subject to this request is zoned R-6. Property to the west is zoned R-6 and General Residential (GR). Property to the south, across Truman St, is zoned GR and GC., property to east, across Pocalla Rd., is zoned GC, and property to north is zoned GC.

The purpose of the R-6 district is to provide for a variety of single-family housing on small lots to meet market demands for smaller lot development and to balance higher densities with common open space.

The purpose of the GC district is to accommodate the broadest possible range of commercial uses, determined principally by market conditions, while protecting the environment from potentially objectionable uses.

The applicant is requesting a rezoning to allow for future commercial use of the entire parcel.

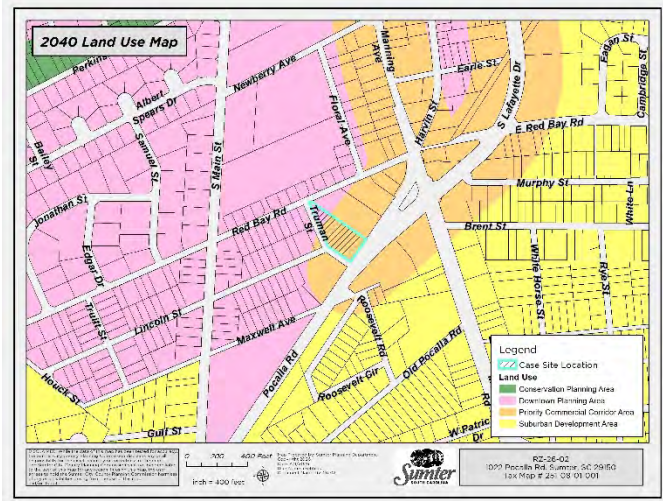

Permitted and Conditional Uses:

Approval of this request does not bind the applicant to establish any future use identified as part of the rezoning process. Rather, the applicant could establish any use allowed in the requested zoning districts, as indicated by the use table found at *Article 3, Exhibit 5* of the Ordinance, in accordance with the use review process indicated and all applicable Ordinance requirements. This use table is attached to this report as Exhibit 1. Uses with a “P” are allowed by-right, uses with a “C” require conditional use approval, uses with an “S” require special exception approval by the Sumter City-County Board of Zoning Appeals (BZA), and uses with no letter are not permitted.

III. COMPATIBILITY WITH THE 2040 COMPREHENSIVE PLAN

The Sumter 2040 Comprehensive Plan shows that the property is primarily influenced by the Priority Commercial Corridor.

Priority Commercial Corridors are a host to a diversity of uses from large, destination retail uses to more base industrial outdoor storage uses. Many formerly prosperous commercial corridors have struggled in recent years, such as Broad St. (from Wesmark Dr. to Church St.) or Manning Avenue in the City. Many corridors are trending toward higher levels of vacancy, or marginalization of retail uses. They are visually uninviting and face outright abandonment.

Sumter 2040 Comprehensive Plan policies support this request.

IV. TRANSPORTATION REVIEW

The site has direct frontage onto 3 separate SCDOT owned and maintain roadways. The primary frontage for the property is on Pocalla Rd., which is functionally classified as a Principal Arterial Roadway and has an annual average daily trip (AADT) count of 11,900 based on trip data collected near the site (Station Id# 43-0107). The property has secondary frontage on W. Red Bay Rd., which is functionally classified as a Major Collector Roadway and has an AADT of 400 based on trip data collected near the site (Station ID# 43-0514). The property also has secondary frontage on Truman St., which is functionally classified as a Local Roadway and has limited traffic.

All site development will have its transportation impacts fully evaluated at the time of site plan approval.

V. STAFF RECOMMENDATION

Staff recommends approval of this request. The property is located in the Priority Commercial Corridor Planning Area. Commercial zoning is supported in these areas by the Sumter 2040 Comprehensive Plan. This rezoning, if approved, will remove the last portion of residential zoning

within the block bounded by Pocalla Rd., Manning Rd., W. Redbay Rd., and Truman St., which is in alignment with zoning best practice.

VI. DRAFT MOTION

- 1) I move that the Planning Commission recommend **approval** of RZ-26-02, rezoning a +/- 0.6-acre portion of a larger +/- 1.35-acre split zoned parcel from Residential-6 (R-6) to General Commercial (GC).
- 2) I move that the Planning Commission recommend **denial** of RZ-26-02, rezoning a +/- 0.6-acre portion of a larger +/- 1.35-acre split zoned parcel from Residential-6 (R-6) to General Commercial (GC).
- 3) I move an alternate motion.

VII. PLANNING COMMISSION – April 22, 2026

Exhibit 5: Permitted Uses in All Zoning Districts

Key: P: Permitted Use – C: Conditional Use – C-# (200, 300, 500, 1000): Conditional Use w/Consent required from property owners within specified # of feet – S: Special Exception Use

**Asterisk denotes conditions listed in "Notes" column applies only in the specified zoning district where asterisk is present.*

If no asterisk exists in a specific use classification row, then the conditions listed apply for each zoning district where a given use classification can be established.
