

CRS Activity 510  
Progress Report on Implementation of Credited Plan

Date this Report was Prepared: *July 24, 2020*  
Name of Community: *City of Sumter*

Name of Plan: *2020-2025 Santee-Lynches Hazard Mitigation Plan*  
Date of Adoption of Plan: *June 16, 2020*

*5 Year CRS Expiration Date: June 2022*

1. How can a copy of the original plan be obtained:

- *Santee-Lynches Council of Government (SLCOG) website at: <http://www.santeelynchescog.org/hazard-mitigation> or by contacting SLCOG at (803)775-7381*
- *Contact Sumter County Emergency Management at (803)436-2158*
- *Contact the Sumter City-County Floodplain Manager at (803)774-1636 or via e-mail at [hroodman@sumtersc.gov](mailto:hroodman@sumtersc.gov)*

2. Describe how this evaluation report was prepared and how it was submitted to the governing body, released to the media, and made available to the public:

*The evaluation report was prepared in consultation with the identified responsible parties outlined in the City of Sumter Mitigation Strategy/Action Goals section of the Plan.*

*The report is being presented to Sumter City Council in the August 4, 2020 City Council agenda packet, with accompanying releases to the local news media through the City of Sumter Communications Director. The report will be posted on the City of Sumter Website after it is presented to Council on August 4<sup>th</sup>.*

3. Provide a description of the implementation of each recommendation or action item in the action plan or area analysis report, including a statement on how the project was implemented or not implemented during the previous year:

*See the attached Progress Analysis.*

4. Discuss why any objectives were not reached or why implementation is behind schedule:

*The attached Progress Analysis presented to Council outlines the current status of each action item. The current plan was adopted by Council in June of 2020. Much of the last year has been working with Santee-Lynches Council of Governments on drafting and adopting the current plan update. Many activities were slowed by the COVID-19*

*Pandemic with many office operations in local and state offices being slowed or halted by Government Stay at Home Orders and limited staffing.*

5. What are the recommendations for new projects or revised recommendations?

*See the attached Progress Report*
