Meet our Featured Artist

Michael duffy

This year, hidden among the thousands of Japanese Irises lining Swan Lake's shores, the aromas drifting from food vendors serving up the best in festival cuisine, the music from our various stages, and myriad vendors delivering handmade goods and fun souvenirs, you'll find our featured artist — local artist, actor, and producer, Michael Duffy. Take a walk over to the Bland Gardens Gazebo to view Michael's work and you'll see it's no surprise that he is this year's Featured Artist at the 79<sup>th</sup> Annual Sumter Iris Festival!
