ITB #5-25/26: Gateway Turf and Landscape Maintenance
and
ITB #6-25/26: Gateway Turf and Landscape Chemical Maintenance

ANSWERS TO QUESTIONS FOR GATEWAY TURF & LANDSCAPE MAINTENANCE.

1. What is the anticipated start date for these projects?
A. The project is scheduled to commence on August 1, 2025 or immediately following the completion of the procurement process, which includes bid, contract execution, vendor onboarding and issue of the purchase order.
2. On the bid sheet you have separated items 1 and 2 and are requesting separate pricing for debris removal, leaf blowing, and fire ant treatments. We typically treat all areas (turf and beds) as one service. Is it alright to combine these two unit costs into one singular (all inclusive) service?
A. The work shall be completed as one all-inclusive service but we would prefer the work to remain separated into two separate line items.
